REQUEST FOR CERTIFICATE OF CORRECTION

ATTN: CERTIFICATE OF CORRECTION BRANCH
COMMISSIONER FOR PATENTS:

Enclosed is a Certificate of Correction, Form PTO 1050, for the above-identified U.S. Letters Patent. The error in the printed patent listed on the enclosed Certificate of Correction form occurred at the following location in the application file:

--Amendment filed January 17, 2000, Page 3, line 1.

The error was made by applicant in good faith and was a mere typographical error in that the word "between" was inadvertently left out of the claim. Reference to the specification at Column 2, lines 42-48, shows that the word "between" clarifies that the opening of the half-spherical structure is aligned "between" the 5° forward and 33° rearward lines. No new matter is being added to the patent and reexamination is not required.
